2022 Academic Enrichment Class Interviews

Students wishing to apply for placement into the Year 7 Academic Enrichment class at Mount View High School in 2022 will be required to attend a 10 minute interview with a staff member from the Enrichment Team. At the interview students' suitability for the class will be assessed on how well they demonstrate the following characteristics:

- A love of learning
- A growth mindset
- Capacity to plan and work independently and/or collaboratively to achieve a goal
- Capacity to critically reflect on their learning progress

What to bring

Students will need to bring **three pieces of evidence of learning** as listed below. This evidence should be from the last two years and can be from your learning at school or outside of school. Examples of evidence might include a school book, piece of written work, school project, favourite book, photograph or video, artwork, something made by the student.

Students do not need to create these pieces of evidence especially for the interview. Students are encouraged to discuss their choices of evidence with their class teacher and parents but should endeavour to collect their evidence independently.

Evidence 1: *will be used to explain an area of interest that the student is **passionate learning about.***

Evidence 2: *will be used to explain an example of where the student **has worked independently or collaboratively to achieve a set goal.***

Evidence 3: *can be used to explain an example of learning that the student has **found challenging and strategies used to improve this area of learning.***

What to wear

Students should wear their full school uniform.

Further Information

For further information about the interview process please contact the Academic Enrichment Coordinator - Mrs. Anna Wells via email anna.wells2@det.nsw.edu.au or phone 49902566.
