

Mount View High School Uniform

Mount View High School has a corporate uniform policy. This means students may select tops and bottoms from the options listed below. So long as students are wearing designated uniform options as sold by Lowes and Flanagan's then they will be deemed to be in uniform.

Footwear

Workplace Health and Safety (WHS) legislation makes it mandatory for all students to wear solid and enclosed shoes within the school grounds especially in practical and science areas. These shoes are suitable and meet WHS requirements because:

- they all have solid uppers
- there are no punched holes
- they are not canvas
- they cover the upper part of the foot

The colour black is part of Mount View High School's uniform as developed with Mount View High School's Community. As the examples above indicate shoes that are in uniform are black with no other colour visible. Black socks and or stockings are to be worn as part of the uniform.
